

# The Residency Story: 5 Controversial Facts

Arts and Health. Arts and Criminal Justice. Socially engaged arts. Arts and Early years. Arts and business. Arts and cultural development.

Civic Engagmement:

Is this just another fad?

Universities don't really have a role to play. They are only in it for the money.

Who are we to say  
artists need  
training?

Action research works until there is a tummy bug.
